

## THE CAROLINE CHISHOLM SOCIETY IS DEDICATED TO SUPPORTING FAMILIES FACING HARDSHIP

Inspired by Caroline Chisholm (1808–1871), who championed support for women and families, the Caroline Chisholm Society continues her legacy of compassion and practical care. Established in 1969, the Society has grown from providing material aid and pregnancy counselling into a professional community service **supporting families to achieve safe, nurturing environments**. We focus on **effective services, sustainable growth and strong local engagement**, and are committed to **helping families thrive**.
